SIR,

Adverting to your letter No.2504 Muz. 75-28-27 dated 15th May 1929 stating that sanction to the re-appropriation of funds of the Ayurvedic and Unani College Mysore, for the current year to the extent asked for cannot be sanctioned etc,. I have the honor to state that in G.O.----- No.253-5/Muz.368-26-9 dated 1st August 28, sanctioning a reorganisation of the Ayurvedic College, it is stated that Rs.15,000,- should the contribution from the Chattram Savings fund, to which should be added Rs.1000/- being the interest from the endowment of Pandit Gopala Charlu and Rs.1872/- being the contribution from the Municipal and ---- District Funds and the balance required to make the total cost of ----- Rs.35,000/- should be borne by Government. In pursuance of this G.O. a sum of Rs.15,000/- has already been drawn from the chattram ---- Savings fund for this year and credited to the funds of the institution The Comptroller has been addressed in the matter of transferring Rs.100 being the interest on Pandit Gopalacharlu's endowment to the institution while the contribution of Rs.1872, from the Municipality and the District Board must have been similarly adjusted to the funds of the institution. Taking the budget provision of Rs.9500,- from the State funds for the current year, the total grant for the college come to Rs.27,372 Im this office letter No. 387 dated 16th February 1929, I had asked for an extra grant of Rs.3000,- for this year inclusive of the sum required for non-recurring charges and the Govern ent order received thereon No.2440/2/Muz.75-28-4 dated 3rd May 1929 enunciates a principal as ---- regards the contributions from the several sources to meet the cost of

the cost of maintaining the college, by which half the recurring --- charges alone should be taken out of the chattram savings fund and other contributions, the other half of the recurring charges and the whole of the non-recurring charges should be borne by Government, and in pursuance of this principal has sanctioned an additional grant of Rs.4,300/- to meet a moiety of the recurring charges, amounting to Rs.11,300 and Rs.2500/- sanctioned in the G.O, dated 1st August 1928 for non-recurring charges. In my letter dated 1st April 1929, I have pointed out that in addition to the non-recurring charges already--- incurred, a sum of Rs.5296-8-0 is absolutely necessary for equipping the college with all its requirements, in order to put the college into full working order from the commencement of next year and that it will not be possible to spare any amount out of the provision of Rs.35,000 for next year, as it will be fully required for meeting the recurring charges for the year. I therefore beg to --- state that the principle enunciated in G.O.No.2440-2/Muz.75-28-4, dated 3rd May 1929 may not be given effect to this year, and that the full amount of contribution from the chattram funds and other sources be utilised for this year and the reappropriation asked for sanctioned in which case the supplemental grant from state funds may be fixed at Rs.3,000/- only and not Rs.4300/- as noted in the Government order of the 3rd May 1929. I beg to make this recommendation in view of the urgent necessity to equip the college with its full complement of --- hospital and inpatient wards as early as possible to commence work --- from the beginning of the next college year. The Vice President --- reports that he has placed orders for the articles required in ------- anticipation of Government sanction to the reappropriation. I request that his action, taken in the interests of the institution and in pursuance of the proceedings of the Committee of management, may be approved and early orders passed sanctioning the reappropriation as recommended in my letter of 1st April 1929.

Should however Government think that the principle should be --- adopted from this year alone, the whole amount of Rs.5300/- required for further equipment will have to be borne by Government. In the latter case the supplemental demand will have to be for Rs.9600/------

as per

as per calculations noted in the margin. I beg that early orders may be passed in the matter.
